

## Looking for Volunteers

Are you

older than 40 years?

Do you have

high blood pressure?

or

Do you have

diabetes?

The **STOP-HF** service at St Michael's Hospital, Dun Laoghaire, Co. Dublin (in conjunction with the **Heartbeat Trust**) would like to invite you to participate in the **PARABLE** clinical trial to evaluate the effectiveness of the heart medicine, Entresto on the heart and blood vessels in patients with high blood pressure and/or diabetes or other risk factors for developing heart failure.

For further information, please call: **01 2713071**  
and ask to speak to the research nurse  
<http://heartbeat-trust.ie/research/current-projects>

**The Heartbeat Trust is Ireland's national heart failure charity. It supports specialist clinical and research services in heart failure and heart failure prevention.**
